Strachauer Park A Neighborhood Roadway Improvements

Dear Resident:

Crews picked up where they left off with their restoration efforts in Stage I this week. The seeding company arrived on Monday and continued its Stage I work. This work will be completed by the end of this week.

In Stage 2, concrete work began on Monday as crews poured curb and gutter along Beard Avenue and Beard Place. Efforts continued through the end of the week as driveways and aprons were completed. Parking in front of your homes over the weekend is permitted on the west and south sides of Beard Avenue, Beard Place and West 62nd Street. Residents should gain full driveway access by Tuesday evening next week.

Next week, crews will grade Beard Avenue and Beard Place in preparation for the first layer of pavement which is slated for Friday, July 29. Residents should pay close attention to their front doors for notices about driveway and roadway accessibility during this time.

All schedules are weather-dependent and are subject to change.

Communications:

- Have questions or comments regarding this project? Call me at 952-826-0448 or amoe@EdinaMN.gov
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends, call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.
- Visit the project site at www.EdinaMN.gov/strachauer_park_a.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information.

The City of Edina and Palda & Sons, Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Alex Moe
Engineering Technician
